Topics this term!

In our Science lessons the children will be learning about seasonal changes and the weather. Later on they will discover different plants and how they grow!

In Art our lessons will focus on the skills of drawing. Children will develop drawing skills using pencils, charcoal and other mediums.

For our DT lessons this half term the children will develop their cutting and weaving skills whilst making sliders for a moving picture.

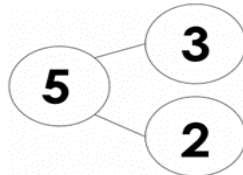

History this half term will have children looking at how things have changed in living memory. They will learn about the way things such as shops have changed over time. We will organise a trip to Tesco where the children can compare how shops are in the present day to how they were in the past.
