The thing I really like about Green Lanes is

They are helping make well rounded individuals rather than just focusing on academics.

It's is the best primary school in Hatfield.

Great staff, friendly and easy to approach if I have any problems. Lovely children and my child is very happy.

The staff are caring and approachable.

Kindness and support of the teachers and staff

A very welcoming environment with lots of opportunities

The senco department

It's a big school but all children seem to be known individually and they feel like it's a family

Kind and nurturing environment with a caring ethos. Great leadership and presence from the headteacher. All staff demonstrate compassion and care for the students

How cosy the classrooms are for the and low lighting and having a school dog is lovely

The thing I think could be even better about this school is ...

Bigger classrooms

I can't think of anything!

Communication

Better before and after school childcare provisions. Not good at the moment - nowhere near enough spaces available. More extra curricular activities needed.

After school tutoring sessions could be offered more as the previous sessions were great
